

Barrhaven SANTA CLAUS PARADE

Sequoia Community Church was one of the many church groups in this year's parade.

Sir Winston Churchill Elementary School was back with their waste bucket percussion band.

Once again, the Barrhaven Lions Club played a key role in putting together the 14th annual Light Up the Night Santa Parade in Barrhaven.

The students from St. Elizabeth Ann Seton Catholic School were one of many school groups in the parade.

Oegema, Nicholson and Associates had a special green friend on their float.

James Gilliland was quick to point out that the West Barrhaven Community Association had the best float in the parade.

(Left) Jan Harder, left, had a great City of Ottawa float. It's too bad the parade did not extend all the way to the Walt. Or is it to the Baker?

(Right) The Gordon Pipe Band from Smiths Falls was a hit in this year's festivities.

...but you can change the future

Be green. Fill your bin
