

**When it comes to innovative, competitive, and individually tailored personal and commercial insurance products and financial services**, the National Capital Region's own Oegema, Nicholson & Associates Insurance Brokers Inc. (ONA) provides a raft of life-living security solutions from every one of its five locations in greater Ottawa.

Today we're proud to announce that **Avant-Garde Insurance** in Orleans will operate under the ONA trademark. We are equally pleased to divulge the name of the latest addition to our ONA Orleans team, Account Executive, **Mr. Paul Bastien**.

With an enlightened blend of familiarity, equity, and evolution, ONA looks forward to continuing to deliver the preeminent standard of excellence you have come to know and trust for so many years – not just for Ottawa, Manotick, Almonte, and Russell, but *here*, in Orleans. For Oegema, Nicholson, since 1961, there has been only one true calling. They're here, **for the lives we lead.**
